Subject: Official Invitation to Attend ICCIES 2025

Dear Mr./Ms. Tran,

On behalf of the Organizing Committee of the First International Conference on Computational Intelligence in Engineering Science (ICCIES 2025), we are pleased to formally invite you to attend and present your accepted paper titled:

Paper Title: Breast cancer classification based on fuzzy rules and deep learning techniques

Paper ID: 161

The conference will be held from 23–25 July 2025 at Ton Duc Thang University, Ho Chi Minh City, Vietnam. To explore the conference program, kindly visit: <https://iccies.tdtu.edu.vn/conference-program>.

ICCIES 2025 is an international forum that brings together researchers, practitioners, and scholars from around the world to exchange knowledge and promote advancements in computational intelligence and engineering sciences. We are honored to include your research as a valued contribution to the program.

We kindly ask that you confirm your attendance to help us with better arrangements. Please scan the QR code below or visit <https://iccies.tdtu.edu.vn/join>. Some local tours can also be provided upon request.

Please do not hesitate to contact us at iccies2025@tdtu.edu.vn for further assistance.

We look forward to welcoming you to Ho Chi Minh City and an inspiring and productive conference.

Sincerely,

Dr. Pham Van Huy

ICCIES 2025 Organizing Committee
